ASX Release

#### Shares Released from Escrow

Vector Resources Limited is pleased to announce that a further 6,225,000 fully paid ordinary shares are to be released from escrow, on 4 October 2008, following their 12 months escrow since date of issue.

Previously, it was announced that 1,537,500 fully paid ordinary shares were to be released from escrow on 26 September 2008.

These shares will be ranked as parri passu with existing shares as at 4 October 2008 and Vector Resources will seek their immediate eligibility to be traded on the ASX.

The current number of shares issued total 105,633,333 of which 31,344,850 will remain escrowed following the release of the 6,225,000 referred to above.
