Dear Sir or Madam

LandMark White Limited preliminary unaudited results for 12 months to 30 June 2010

On 11 February 2010 LandMark White Limited announced that the results for the six months to 31 December 2009 had been a significant turnaround from the same period in the previous year. While revenue was lower by 5.3%, the net profit before tax of \$555,000 represented a \$1,163,000 improvement from a loss of \$608,000 for the same period to 31 December 2008. This was achieved through a restructuring of both wage and non wage expenses, in response to the Global Financial Crisis.

The preliminary unaudited results for the 12 months to 30 June 2010 show a continuation of this improvement into the second six months of the year. Total revenue will be down by approximately 5% however net profit before tax is expected to be in the range of \$1,200,000 to \$1,400,000. This is a significant turnaround on the corresponding 12 month period to 30 June 2009 that reported a loss before tax of \$556,000.

Net profit after tax for the 12 months to 30 June 2010 is expected to be in the range of \$800,000 to \$900,000 compared with a loss of \$729,000 for the corresponding period to 30 June 2009.

Yours faithfully
